

## SWING CHOIR CONTRACT

Congratulations on selection to this year's Swing Choir. It is very difficult to get into Swing Choir as there are limited slots available. You should be very proud of your accomplishment. The Homer High School Swing Choir is a select ensemble, which has developed a reputation for excellence throughout the state. The group performs in all of the standard concerts and also represents the High School at many community events throughout the year. Additionally, they produce the annual Candlelight Carols and Desserts Concert. Swing Choir is an Early Bird Class - starting at 7:30 - and thus takes particular dedication and effort.

Swing Choir members **must**:

- Be simultaneously enrolled in Concert Choir and perform in all Concert Choir productions.
- Be able to be at class at 7:30 every morning (recurring absences/tardies may cause removal from group).
- Have a positive attitude and be able to take direction.
- Be willing to commit to occasional extra rehearsals and many extra performances.
- Participate in Solo/Ensemble contest (includes a possible trip to Anchorage in May).
- Commit for the entire year and communicate conflicts in advance.
- Be able to maintain eligibility throughout the year.
- Accept that Swing Choir Concerts will take priority over sports events when there is an unavoidable conflict. (The coaches and I try very hard to work this out as much as possible.)

**Failure to accept the above expectations will result in a meeting between you, Mr. Schneider, and your parents regarding your continued tenure in Swing Choir.**

I am so excited to have you as part of the Swing Choir Family. If you have any questions, please see me or have your parents call me at (773) 620-3833. Once you are sure that Swing Choir is for you, please sign and have your parents sign, thus indicating that you are ready for the commitment ahead. Please return this form ASAP. Again, congratulations, and welcome to Swing Choir!
